

# RT-720 Course for NEET 2025

## Students of Class 12 & 12-Passed

### Achieve Your Highest Score in NEET 2025

RT-720 course is based on a specialized methodology for maximizing the capability of a NEET aspirant towards a score of 720. In the NEET exam, students are not either fast enough in their question solving speed or in increasing the speed they commit mistakes. The RT-720 course is focused on uplifting the accuracy, speed and confidence of students so that they come closer to the score of 720 as much as they can.

RT-720 is mentored by highly experienced faculty members of Narayana North India Head Quarter, Jaipur who have a great track record of producing top rankers in NEET over past many years
